# Acknowledgement of Country

- The University of Queensland (UQ) acknowledges the Traditional Owners and their custodianship of the lands on which we meet.
- We pay our respects to their Ancestors and their descendants, who continue cultural and spiritual connections to Country.
- We recognise their valuable contributions to Australian and global society.

An aerial photograph of a tropical island, likely in the Great Barrier Reef. The island is surrounded by a shallow lagoon with varying shades of blue and green, indicating different depths and coral formations. A small, crescent-shaped island in the center of the lagoon is densely forested and has a small settlement with white buildings. The main island is also surrounded by a shallow lagoon and has a small settlement on its eastern side. The background is a deep blue ocean.

# Welcome aboard!

# Timetables, Changing & Dropping Courses

Class Allocation is via MyTimetable system via your my.UQ Dashboard: <http://my.uq.edu.au/>

1. Go to **'mySI-net'** to enrol in chosen course(s)

2. Go to **'My Timetable'** to use the Allocate+ system to preference class times  
**(Closed 27/01/2025)**

3. Classes are then allocated automatically with personal timetable released **12pm 03/02/2025**

## **Class Adjustment (02/03/2025):**

Didn't get the time you wanted, or now need to change times?

4. Use **'My Timetable'** to:
- Swap to other classes if there is space.
  - Add your name to a waitlist to swap to preferred class
  - Contact [eait.mytimetable@uq.edu.au](mailto:eait.mytimetable@uq.edu.au) if you still have unavoidable clashes

# Some Tips

- ❑ Know which program you are in
- ❑ Check the requirements of your program
- ❑ Use the study plan
- ❑ When you are developing your study plan, select courses you are interested in; and then for each course:
  - Checking its availability; please note that some courses are NOT offered in every year
  - Checking its prerequisites (particularly for structure courses); it's the students' responsibility to make sure they have met all the prerequisites.
  - Level 7 courses are generally the most constrained ones.
- ❑ Research project is 1-year or 1-semester long
- ❑ To help you perform better in your research project, you are encouraged to enrol in [CIVL7518: Research Methods for Engineers](#) (offered in Sem 2) in your first year if this is compatible with your program requirements.
- ❑ **UQ has zero tolerance for academic misconduct (e.g., plagiarism, use of AI unless stated otherwise in the course profile)**

## Research Project: A Year-Long (Two Semesters) Project

- CIVL7513 (4 units): Commencing a project in Sem 1
- CIVL7514 (4 units): Commencing a project in Sem 2

## Research Project: A Semester-Long (One Semester) Project

- CIVL7515 (4 units)
